

## ABOUT

MotionScoop Dance Corp. ("MotionScoop") is a **Minority and Woman Owned Enterprise** as certified by the City of New York and was established in February 2018 by Marisabel Vasconez, MA (ABT® Certified Teacher) in an effort to provide quality dance training in Queens, NYC. MotionScoop is like an ice cream shop, you choose the flavors of dance that you want to explore and we build your dance experience around it. This includes **bilingual & cultural** experiences. We hope this process to be individual and inclusive for each community partner. We believe in equitable opportunities for all students, this includes **access to quality dance education!**
