# ABOUT OUR COMPANY

## INTRODUCTION

MotionScoop Dance Corp. ("MotionScoop") is a Minority and Woman Owned Enterprise as certified by the City of New York and was established in February 2018 by Marisabel Vasconez, MA (ABT® Certified Teacher) in an effort to provide quality dance training in Queens, NYC. MotionScoop is like an ice cream shop, you choose the flavors of dance that you want to explore and we build your dance training around it. We hope this process to be individual for each community partner, yet inclusive so that each student can encounter different points of view within a "dance class" and what it means in each genre.

At MotionScoop, we strive to provide quality and pre-professional dance training. We structure our classes with fun and productivity all while adding elements of technical training for a challenging, rigorous, and rewarding experience. Our Teaching Artists are highly trained professionals in the field. This means that your students will receive the most modern and up-to-date dance education, guaranteed!

*MotionScoop Dance Corp. is proud to include the AMERICAN BALLET THEATRE® National Training Curriculum, a breakthrough 9 level program that combines high-quality artistic training with the basics of dancer health and child development. The ABT® National Training Curriculum consists of a comprehensive set of age-appropriate, outcome-based guidelines to provide the highest quality ballet training to dance students of all ages and skill levels. Pre-Primary through Level 5 will be taught by ABT® Certified Teacher, Marisabel Vasconez, who has successfully completed the ABT® Teacher Training Intensive in Pre-Primary through Level 5 of the ABT® National Training Curriculum.*
